Journal of Paediatric Dentistry (1990) **6**, 159–160

Author and subject index

Addy, M., Hunter, M. L. and Kingdon, A. A study of the prevalence of recurrent minor aphthous ulceration in a group of children aged 15–16 years, 29
Aphthous ulceration
see Addy, 29

Barr, M., *see* Dahllöf, G.
Bedi, R. and Yan, S. W. The prevalence and clinical management of natal teeth—a study in Hong Kong, 87
β-Lactamase-producing bacteria
see Smith, 15
Beynon, A. D., *see* Wilson, P. R.
Black extrinsic staining
see Kinirons, 23
Bone-marrow transplants
see Dahllöf, 113
Brookes, C. N. An intracapsular fracture of the mandibular condyle in a young child demonstrated by computerized tomography, 41

Caldwell–Luc operation
see Hunter, 125
Chadwick, B. L., *see* Hunter, M. L.
Curzon, M. E. J., *see* Naqvi, A.
Cystic fibrosis
see Kinirons, 23

Dahllöf, G., Barr, M., Heimdahl, A., Mattsson, T. and Ringden, O. Oral ulceration and infection during the neutropenic phase in children and adults treated by bone-marrow transplantation, 113
Deciduous molar enamel
see Wilson, 35
Drummond, B. K., *see* Naqvi, A.

Efeoglu, A., Porter, S. R., Mutlu, S., Gokbuget, A. and Scully, C. Papillon–Lefevre syndrome affecting two siblings, 119

Fairpo, C. G., *see* Naqvi, A.
Fissure sealants
see Ripa, 81
see Mitchell, 93
Fractured immature incisors
see Jackson, 105

Gokbuget, A., *see* Efeoglu, A.

Heimdahl, A., *see* Dahllöf, G.
Hobson, P., *see* Moore, R. S.
